PARTICIPANT AGREEMENT ADDENDUM: ROVING PERFORMANCES

All terms previously defined apply to this document.

**N**EIGHBORHOOD TEAMS are offered the opportunity for community performing groups, such as a theater, singing or dance group, to conduct brief performances (of between 3-7 minutes) while roving throughout the night market venue. As few as one or two roving performance groups by a neighborhood team will increase publicity for them (and your neighborhood) and add to the festive mood.

Please initial the following to indicate you have read and agreed to the terms:

PARTICIPANTS are encouraged to coordinate their roving performances with the other PARTICIPANTS to maximize the excitement and fun for residents, and must be aware that:

\_\_\_\_\_ Roving performances should be staggered throughout the night starting at 15 minutes after opening until one-half hour prior to closing (4:15-9:30PM).

\_\_\_\_\_ A complete schedule of the planned roving performances must be provided to help avoid conflict with main stage performances, to permit advance social media and event promotional marketing. This information will also be used to announce the activities during the course of the evening. The schedule must include the name of the PARTICIPANT performing group, number of people in the roving group, performance name, length of individual performance, start and end times of the roving, and the number of performances planned. For example:

“Kearny Mesa Barbershop Quartet, four (4) persons, “Favorites of the ‘30’s”, each song takes about 3 minutes, will rove from 6-7:00 pm, will stop and sing 6 times during the hour.”

Email the schedule to “Village\_Coordinator@D6NightMarket.com”, subject line: Roving Performance Schedule for (insert your neighborhood’s name here).

\_\_\_\_\_ Initial draft schedules are due no later than Monday May 1, 2018.

Final schedules and contact information updates are due Monday, May 15.

\_\_\_\_\_ On the day of the event: Prior to opening, PARTICIPANTS shall confirm there are no changes to the final schedule (i.e. late-notice participation withdrawals). If a PARTICIPANT is unable to conduct the roving performance at the allotted time the PARTICIPANT must immediately notify the Von Coordinator and their Neighborhood Coordinator.
